How we will help?

1. Talk to us

In order to address your concerns, we need to be made aware of the issues you are dealing with, so firstly please contact us and explain the problems you are facing. Our trained staff will try to resolve the problems you are facing at your initial point of contact and our experienced claims managers are available to you.

2. Review by our Customer Resolution Team

Qikio Car Insurance also has a dedicated team of resolution consultants that are experienced and knowledgeable in helping you to seek a positive outcome to the concerns that you are facing. At any time, you may request for your complaint to be handled directly by the Customer Resolution Team.

If your concern is not resolved at the initial point of contact, your complaint will automatically be escalated to the Customer Resolution Team.

You will be provided with the name and contact details of the person assisting with your concerns.

We will be transparent, clear, and available to you throughout the process.

3. Receive a decision

If your complaint is resolved within 7 calendar days, we will not respond to you in writing unless you ask us to or if your complaint relates to financial hardship, a declined claim, or the value of a claim.

In all other circumstances, we will provide you with a written response addressing the concerns you are facing, the steps we have taken to address the concerns, the reasoning for any decision made and the options available to you if you do not accept the decision.

Important timelines

We will acknowledge your complaint within 24 hours.

We will keep you updated as to the progress of your complaint every 14 calendar days.

We will aim to resolve your concern within 21 calendar days; however, we may take a maximum of 30 calendar days in seeking to resolve your complaint and provide you a decision.

In rare circumstances, we may take longer than 30 calendar days if we are unable to make a decision as a result of factors outside of our control. In such circumstances, we will advise you the reason for the delay and further options available to you.

What if you don't accept the decision or it is taking too long?

If we are unable to resolve your complaint within 30 calendar days of receiving it, or if you are unhappy with our decision, you may choose to refer your complaint to the Australian Financial Complaints Authority (AFCA). AFCA is an independent, external dispute resolution scheme and there is no charge for this service.
